To be valid, ballots must be received at the designated time prior to the meeting by either the Recording Secretary or an independent professional firm engaged by the Board of Directors prior to the election.

a. Independent Professional Firm. Prior to the election, the Board of Directors may, if it desires, engage the services of an independent professional firm whose function shall be the receipt, counting and tabulation of the Annual Election ballots. This firm shall file with the Recording Secretary a notarized report of the tally of votes received by every candidate on the ballot. The sealed, notarized tally report should be delivered no later than March 31 of each year where there is balloting for the Annual Election. The envelope shall remain sealed until opened during the Annual Meeting. The Board shall
be responsible for the delivery of the sealed tally report to the Annual Meeting at which it is scheduled to be opened, and the results announced.

b. Inspectors of Election (Ballot Committee). In the event an independent professional firm is not retained in connection with the Annual Election, three Inspectors who are members in good standing and who are neither members of the current Board nor candidates on the ballot, shall count the ballots. These inspectors shall be chosen by the members present at the Annual Meeting. The Ballot Committee shall tally the votes received by the candidates for each office or position and report the results of the tally to the membership. The person receiving the largest number of votes for each position shall be declared elected.

c. Announcement of the Results of the Annual Election at the Annual Meeting. At the Annual Meeting for the election of certain officers and directors, and the Delegate to The American Kennel Club when applicable, the election ballot tally as provided in ARTICLE IV, Sections 3a and 3b, shall be announced to the attending membership. The person receiving the largest number of votes for each position on that year's ballot shall be declared elected. If any nominee at the time of the meeting is unable to serve for any reason, such nominee shall not be elected, and the vacancy so created shall be filled by the new Board of Directors in the same manner provided in ARTICLE III, Section 3.

d. Announcement of the Results of the Annual Election to the Entire Membership. The results of the Annual Election may be published in the newsletter or other publication of the Boston Terrier Club of America, provided such publication occurs within 30 days of the announcement of the results at the Annual Meeting. If the results cannot be published in that time period, then notification shall be mailed to each member within 30 days of the announcement of the results at the Annual Meeting. If the tally report from the independent professional firm shall, for any reason, not be delivered in time for announcement at the Annual Meeting, the results shall be published or mailed to each member within 30 days of receipt of that tally by the Recording Secretary.

Section 4. Nominations and Ballots. No person may be a candidate in a Club election who has not been nominated in accordance with these By-Laws. A Nominating Committee shall be chosen by the Board of Directors before November 1st. The committee shall consist of three members from different areas of the United States of America, and two alternates, all members in good standing, no more than one of whom may be a member of the current Board of Directors. The Board shall name a chairman for the Committee. The Nominating Committee may conduct its business by mail, telephone or FAX.

By December 15th, the Committee shall submit its slate of candidates to the Recording Secretary who shall mail the list, including the full name of each candidate and the name of the State in which he or she resides, to each member of the Club on or before January 1st, so that additional nominations may be made by
members if they so desire. On or before January 1st, the Recording Secretary shall also mail to each member a notice which shall state that written petitions for additional nominations may be submitted according to the provisions set forth in ARTICLE IV, Section 4b.

b. Additional nominations of eligible members may be made by written petition addressed to the Recording Secretary and received at his regular address on or before February 1st, signed by five members and accompanied by the written acceptance of each such additional nominee signifying his or her willingness to be a candidate. No member shall be a candidate for more than one position.

c. If no valid additional nominations are received by the Recording Secretary on or before February 1st, NO balloting will be required or conducted. Rather, the Nominating Committee's slate shall be declared elected at the time of the Annual Meeting.

d. If one or more valid additional nominations are received by the Recording Secretary on or before February 1st, he or she shall, on or before February 20, mail to each member in good standing a ballot listing all the nominees for each position in alphabetical order, with the names of the States in which they reside, together with a blank envelope and a return envelope addressed to the Recording Secretary or independent professional firm marked "BALLOT" and bearing the name of the member to whom it was sent. So that the ballots may remain secret, each voter, after marking his or her ballot, shall seal it in the blank envelope, which, in turn, shall be placed in the second envelope addressed to the Recording Secretary or independent professional firm. These ballots must be returned to either the Recording Secretary or the independent professional firm by March 20. The Ballot Committee or independent professional firm shall check the returns against the list of members whose dues are paid for the current year, prior to the opening of the outer envelopes and removing the blank envelopes. The Ballot Committee or independent professional firm shall certify the eligibility of the voters from an up-to-date membership list supplied by the Recording Secretary, and shall also certify the results of the voting. The report of the independent professional firm of the results of the election and the appropriate certifications shall be provided in a sealed envelope to the Recording Secretary by March 31st. The sealed envelope will be opened and the results of the election shall be announced at the Annual Meeting and in writing to the members as provided in ARTICLE IV, Sections 3c and 3d.

ARTICLE V
Committees

Section 1. Standing and Special Committees. The Board may each year appoint standing committees to advance the work of the Club in such matters as dog shows, sanctioned matches, specialty shows, obedience trials, the breed Standard, member education, membership, trophies, annual prizes and other matters which appropriately may be served by committees. The specific committees and their respective functions may be listed in the Club's Standard Rules or Policies and Procedures. With the exception of the Nominating Committee and the Affiliate Specialty Club Advisory Committee, such committees shall always be subject to the final authority of the Board.
Special committees may also be appointed to aid the Board of Directors on projects to promote the welfare and improvement of the Boston Terrier and other particular projects.

Section 2. Affiliate Specialty Club Advisory Committee. One standing committee shall be the Affiliate Specialty Club Advisory Committee.

a. Affiliate Specialty Club Representatives. Each year, within 60 days of its own Annual Meeting, each Affiliate Specialty Club shall submit to the Recording Secretary, by mail, the names and addresses of its nominees for Delegate (or Representative) and Alternate Delegate (or Alternate Representative) to the Affiliate Specialty Club Advisory Committee. The Alternate may only serve officially in the event the Delegate cannot, for any reason, carry out his duties. If an Alternate is to replace an official Delegate, either in a temporary or permanent capacity for the year, the Affiliate Specialty Club must notify the Board of Directors, through the Recording Secretary, either by telephone or in writing. Telephone notification must be confirmed in writing within 7 days. The Advisory Committee, once complete, may select its own chairman.

b. Purpose and Function of the Advisory Committee. The purpose of this committee shall be primarily to provide liaison between the Affiliate Specialty Clubs and the Board of Directors in all matters of Affiliate Club interest. This committee may also adopt resolutions relating to Boston Terrier Club of America issues, addressed for the considerations of the Board.

Section 3. Termination of Appointments. Any committee appointment may be terminated by a majority vote of the full membership of the Board upon written notice to the appointee; however, the Board may not appoint successors to Affiliate Specialty Club Advisory Committee Delegates or the Alternate Delegates.

ARTICLE VI
Discipline

Section 1. American Kennel Club Suspension. Any member who is suspended from the privileges of The American Kennel Club automatically shall be suspended from the privileges of this Club for a like period.

Section 2. Charges. Any member may prefer charges against a member for alleged misconduct prejudicial to the best interests of the Club or the breed. Written charges with specifications and endorsed by the complainant and no less than 2 additional members in good standing must be filed in duplicate with the Recording Secretary together with a deposit of fifty ($50.00) dollars which shall be forfeited if such charges are not sustained by the Board or a Committee following a hearing. The Recording Secretary shall promptly send a copy of the charges to each member of the Board or present them at the next Board Meeting, if practicable. The Board shall first consider whether the actions alleged in the charges, if proven, might constitute conduct prejudicial to the best interests of the Club or the breed. If the Board considers that the charges do not allege conduct which would be prejudicial to the best interests of the Club or the breed, it may refuse to entertain jurisdiction. If the Board entertains jurisdiction of the charges it shall fix a date
of hearing by the entire Board or a Committee consisting of not less than three members of the Board, not less than 3 weeks nor more than 6 weeks thereafter. The Recording Secretary shall promptly send one copy of the charges to the accused member by certified mail together with a notice of the hearing and an assurance that the defendant may personally appear in his or her own defense and bring witnesses if he or she wishes.

Section 3. Board Hearing. The Board or Committee shall have complete authority to decide whether counsel or other representative may attend the hearing, but both complainant and defendant shall be treated uniformly in that regard. In the event any member of the Board is the complainant or defendant, he or she shall be ineligible to participate as a Board or Committee member with respect to the matter. Should the charges be sustained after hearing all the evidence and testimony presented by complainant and defendant, the Board or Committee may by a majority vote of those present suspend the defendant from all privileges of the Club for not more than six months from the date of the hearing, or until the next Annual Meeting if that shall occur after six months. And, if it deems that punishment insufficient, it may also recommend to the membership that the penalty be expulsion. In such case, the suspension shall not restrict the defendant's right to appear before his or her fellow members at the ensuing Annual Meeting or other Club meeting which considers the recommendation of the Board or Committee. Immediately after the Board or Committee has reached a decision, its findings shall be put in written form and filed with the Recording Secretary. The Recording Secretary, in turn, shall notify each of the parties of the decision and penalty, if any.

Section 4. Expulsion. Expulsion of a member from the Club may be accomplished only at the Annual Meeting of the Club following a hearing and upon the recommendation of the Board or Committee as provided in Section 3 of this ARTICLE. Although the defendant shall have the privilege of appearing in his or her own behalf, no evidence will be taken at this meeting. The President shall read the charges and the findings and recommendations, and shall invite the defendant, if present, to speak on his or her own behalf. Those present at the meeting shall then vote by secret written ballot on the proposed expulsion. A 2/3 vote of those present and voting at the Annual Meeting shall be necessary for expulsion. If expulsion is not so voted, such portion of the suspension as may remain shall stand.

ARTICLE VII
Amendments

Section 1. Amendments to the Constitution and By-Laws and to the Standard for the breed may be proposed by the Board of Directors or by written petition addressed to the Recording Secretary signed by twenty percent of the membership in good standing. Amendments proposed by such petition shall be promptly considered by the Board of Directors and must be submitted to the members with recommendations of the Board by the Recording Secretary for a vote within four months of the date when the petition was received by the Recording Secretary.
Section 2. The Constitution and By-Laws and the Standard for the breed may be amended at any time provided a copy of the proposed amendment has been mailed by the Recording Secretary to each member in good standing on the date of mailing, accompanied by a ballot on which he may indicate his choice for or against the action to be taken. The notice shall specify a date not less than 30 days after the date of mailing by which date the ballots must be returned to the Recording Secretary to be counted. To assure the secrecy of vote, the dual-envelope method of ballot procedures as provided in ARTICLE IV, Section 4d shall be used for the voting upon such proposed amendments. The favorable vote of 2/3 of the members in good standing who return valid ballots within the time limit shall be required to effect any such amendment.

Section 3. No amendment to the Constitution and By-Laws or to the Standard for the breed that is adopted by the Club shall become effective until it has been approved by the Board of Directors of The American Kennel Club.

ARTICLE VIII
Dissolution

Section 1. The Club may be dissolved at any time by the written consent of not less than 2/3 of the members. In the event of the dissolution of the Club other than for the purposes of reorganization, whether voluntary or involuntary or by operation of law, none of the property of the Club nor any proceeds thereof nor any assets of the Club shall be distributed to any members of the Club but after payment of the debts of the Club its property and assets shall be given to a charitable organization for the benefit of dogs selected by the Board of Directors.
